TRAINING & PROJECTS

Centralized Digital Platform for Student Activity Records

Team Size : 6

- A centralized platform can serve as a single space to store and manage all student certificates and evidences for future reference. It allows students to keep their achievements organized and easily accessible whenever needed. Parents can also view and track their children's certificates, ensuring transparency and support in their academic journey.

ACADEMIC ACHIEVEMENTS & CO-CURRICULAR ACTIVITIES

- Participated in SIH (Smart India Hackathon)-2025.
- Actively participated in different Gaming competitions on behalf of the "ASHV – 2K25", MITS college.

CERTIFICATIONS

- Certified course on "C Programming" at Webwiz Computer Education.
